

# We're Back

Firstly, having had a couple of weeks back at club after a long break we are pleased that you remained well over the challenging times! We have also been overwhelmed by the support and commitment of members in getting us back up and running...**Thank you so much!** As we all know, there remains the potential for disruption to club activities and our priority will always be to keep members safe. If things do have to change, we will do what we can to maintain safe activities and keep you all informed. Welcome back!

*The Committee*

**Club AGM – Sunday 27<sup>th</sup> June.** We hope restrictions will allow us to hold our short meeting during club on the 27<sup>th</sup>. We will look at the guidelines nearer the time and how classes are running to pick the best time to hold the meeting. More details to follow.

# Summer Activities planned...

After careful consideration the committee has decided not to run our usual club camp again this year, but we did want to organise something that brought the club together socially (rules allowing!). This summer we are working on a **club Evening** in one of the local parks on a Friday - games, picnic/ fish & chips. More details shortly.

We are also planning our open water sessions down at Felixstowe with planned dates of the 22<sup>nd</sup> August (family picnic hopefully), 5<sup>th</sup> & 12<sup>th</sup> September. These will run from 10am through to lunchtime and hopefully if the weather is kind people can bring lunch! We will confirm more details nearer the time.

## Dummy Donation!

Local company Thales have donated the club a Little Anne resus manikin. Our thanks to them, as this will offer members more opportunity for hands on practice when we can.

## National Thanks

Following on from club recognition for their services, Millie & Neve also received a national '*Certificate of Thanks*' from the RLSS. Pictured below receiving their certificates from Nigel.
