

HELP US, HELP YOU, STAY SAFE...

Sports Clubs and Community Groups

When taking part in or spectating an activity at our centre it is essential that you follow our Covid safe measures. Failure to do so may put your club hirer arrangements at risk.

Where possible please stay in your activity area at all times, if access to the toilets is required please ensure that the following Covid safe measures are followed:

Please encourage all participants and spectators to scan the NHS QR code on entry to the centre

Face covering must be worn while in the centre

Sanitise your hands before entering the centre or area

Observe safe social distancing where possible

Follow the one way system

bring essentials only

Please observe maximum numbers in toilets and changing rooms at all times

Your responsibility to do your bit and follow Government guidance
